New to Anthropology...Find Your Topics of Interest

concerns of anthropology intersect. Courses vary when different professors teach them from year to year. Special Topic courses are added each year that may fall into any theme, consult the current academic year calendar. Courses such as ANTH 100, Introduction to Cultural Anthropology, ANTH 200, Public Anthropology, Anth 400 History of Anthropology, and ANTH 401 Contemporary Theory Anthropology are not included as they ultimately cover every topic! Some courses have prerequisites. To see these pre-requisites, and learn how some courses align with the UBCO BA
